**Department of Labor Safety Standards Division  
Air Inflatable Amusement Ride Criteria**

This inflatable comes under the State of Oklahoma Department of Labor as an Amusement ride, and therefore we must abide by the rules and regulations set by the Labor Department.

Please read all the instructions and regulations sign at the bottom.

**Adult supervision is required at all times. Two adults** (not youth) are strongly recommended to supervise children. **Do not leave the Bounce inflated or unattended** when not being used.

**Limit 5-6 jumpers at one time.** Most accidents occur when too many kids are jumping at the same time or when big kids jump with smaller kids.

**No shoes or objects are allowed** in the Bounce.

**Outdoor use:** You must use 75 lbs weights to anchor the corners. The bounce is not to be used in strong wind in excess of 20 mph. **No exceptions.**

**Indoor use:** You must use 75 lbs weights to anchor the corners of the Bounce. **No exceptions.**

**Blowers:** the cord must be free of cuts and the plug must have the ground prong intact. A GFI plug must be used for outdoors.

**The structure** must be free of any slip or trip hazards. No large tears that would cause the structure to deflate. No duck tape can be used to repair the structure.

**Operations:**

- The operator shall do a pre-use inspection of the Bounce. (daily) Check list is in the CART book.
- A written log of repair needs shall be maintained. (in the CART book)
- Injuries must be reported to the Oklahoma Department of Labor (numbers and instructions in the CART book)
- The operator will have an action plan covering accidents, foul weather, and illness of riders.
- Staff shall be identifiable by uniform (t-shirt or hat) or name tags.

**Capital Baptist Association is not responsible for accidents and/or injury related to the use of the Moon Bounce.** You are using this inflatable at your own risk. Churches must determine if their own insurance covers the use of this inflatable before checkout.

For any questions please call: 405.942.0244 or 405.324.6422

I have read the above and understand my responsibility for the bounce.
